17<sup>th</sup> March 2023

---

**No Objections to the Amendment of Belize Civil Aviation Regulation 139 –  
Aerodromes Certification, Operation and Surveillance Issue 3 Revision 0**

Please be advised that the amendment of the Belize Civil Aviation Regulation 139 – Aerodromes Certification, Operation and Surveillance Issue 3 Revision 0 is readily available for review at the Department’s website [www.civilaviation.gov.bz](http://www.civilaviation.gov.bz) under the Technical Library Menu and BCARs dropdown item.

The public will have a period of three (3) weeks from today’s date to submit their comments regarding the abovementioned regulation. Please be advised that these comments will then be published within two (2) weeks after the deadline to submit comments.

In the event that your comments are not received within the said period or by 7<sup>th</sup> April 2023, it will be understood that there are no objections to the amendment of BCAR-139 Issue 3 Rev 0, thus considering proceeding to finalize the approval of the said regulation.

Comments can be submitted to the Department’s official email address [info@civilaviation.gov.bz](mailto:info@civilaviation.gov.bz) addressed to the Director of Civil Aviation with subject “*Amendment of BCAR-139*”.
