**BELIZE**  
DEPARTMENT OF CIVIL AVIATION  
AERONAUTICAL INFORMATION SERVICE

**AIC**  
**C005/23**  
14<sup>th</sup> April 2023

**No Objections to the Amendment of Belize Civil Aviation Regulation 14 –  
Aerodromes – Volume 1 Aerodrome Design and Construction  
Issue 2 Revision 0**

Please be advised that the amendment of the Belize Civil Aviation Regulation 14 – Aerodromes Volume 1 Aerodrome Design and Construction Issue 2 Revision 0 is readily available for review at the Department’s website [www.civilaviation.gov.bz](http://www.civilaviation.gov.bz) under the *Technical Library* menu followed by the dropdown item *Proposed Regulation* (see image below).

The public will have a period of three (3) weeks from today’s date to submit their comments regarding the abovementioned regulation. Please be advised that these comments will then be published within two (2) weeks after the deadline to submit comments.

In the event that your comments are not received within the said period or by 25<sup>th</sup> April 2023, it will be understood that there are no objections to the amendment of BCAR-14 Issue 2 Rev 0, thus considering proceeding to finalize the approval of the said regulation.

Comments can be submitted to the Department’s official email address [info@civilaviation.gov.bz](mailto:info@civilaviation.gov.bz) addressed to the Director of Civil Aviation with subject “*Amendment of BCAR-14*”.
