HOLDING POSITION MARKING
AT THE BELIZE CITY MUNICIPAL AIRPORT

All aircraft operators and pilots are hereby informed of the new holding position markings that are painted on the taxiways at the Municipal airport

The following procedures must be followed by all pilots departing the Belize City Municipal Airport:

1. Aircraft taxing for departure, shall not cross the holding position unless the pilot has:

- (i) broadcasted blind his position and intentions prior to entering the runway for departure.
- (ii) established two-way communication with inbound traffic to receive up to date traffic information so that reasonable assurance exists for a smooth and expeditious departure.
- (iii) physically observed that the approach path for both runways are clear of traffic.

All pilots and operators are hereby requested to strictly adhere to these procedures for the safe operation of aircraft at this airport.
