**REVISED AIRCRAFT ENTRY PROCEDURES FOR BELIZE.**

**Due to the recent events at the PGIA, the following have been implemented:**

The aviation public is hereby notified that with immediate effect the following revised aircraft entry procedures have been implemented at the Philip S. W. Goldson International Airport.

All flights being private, non scheduled (charters) for passengers or cargo of which the point of origin is not the United States of America or Canada will be required, apart from what is stated in the Aeronautical Information Publication (AIP), to provide 24 hours in advance, information about:

- **The purpose of the flight to Belize**
- **The names/nationality of all passengers, date of birth, along with their respective passport numbers, date of issue, date of expiration or type of cargo on the aircraft if it is a cargo flight.**

In the event that a flight wants to operate on a Saturday or Sunday, the information should be provided not later than midday on Friday. In the case of a holiday, it should be provided not later than midday on the last working day prior to the holiday.

Having complied with these requirements, the Department of Civil Aviation will proceed to issue a permit to operate to and from Belize.

A Notice to Airmen (NOTAM) has been promulgated.

Any further queries can be directed to the Belize Department of Civil Aviation.
